I think it helps when the sender actually includes the attachment. It should be now.

Hi Mike and Crew: Here is the accurate agenda for our Thursday 9:15 meeting on assumption (disregard what I previously sent). Also attached is a draft schedule that ADEQ provided to us earlier this year and a fact sheet they prepared that includes discussion of 404 assumption. For your info, if you want some quick background on 404 assumption, you can refer to the following:

- [Clean Water Act Section 404 State Assumption Fact Sheet](#) by the Association of State Wetland Managers
- [EPA 404 Assumption Website](#) – A quick read through of this EPA Assumption web page could be informative.

Look forward to meeting with you all tomorrow.
